BIOGRAPHY

Artist by passion and Art teacher by profession, with a background in traditional and contemporary art forms, I have been running an art class by name Kalakuteera Mysore. For 15 years, Kalakuteera Mysore has been an art space where India's artforms breathe through colours and gold.

In our art class, we are passing down the essence of India's rich cultural legacy through traditional artforms . From the delicate gold work of Mysore paintings, to the grandeur of Tanjore paintings, to the sacred grace of Kerala Murals - every brush stroke carries a story.

I introduce students to the soul of traditional artforms while exploring contemporary artforms, too, by conducting regular online and Offline workshops.
